

# Gilbert Magnet School for Communication and Creative Arts

**Mission:** The Arts: A Way to Learn, A Way to Live---impacting student depth of knowledge by empowering teachers to use authentic arts integration across the curriculum. The staff and administration of Gilbert Magnet School for Communication and Creative Arts are committed to improving student achievement while empowering students to explore, discover, and express their unique creative abilities. We hold ourselves responsible for utilizing instructional techniques and resources which provide students with the tools to grow, contribute, and communicate in an ever-changing technological society. This development will take place in a nurturing and supportive environment where the diversities of life and people are respected, and the physical, social, and emotional needs of all the students are met.

## About

*Students at Gilbert Magnet School for Communication and Creative Arts engage in an innovative and challenging instructional program designed to develop strong communication skills while enhancing each child's creativity. Gilbert's distinctive program integrates music, art, PE/movement, drama and broadcast communication into the entire curriculum so that learning becomes a multi-media and multi-modal experience. The school is equipped with a dance studio, a 450-seat theater and a state-of-the-art television studio where students learn various facets of television production, performance, and technical theater skills. Students increase oral and written communication skills and gain confidence and self-assurance as they participate in school activities. They receive not only a true fine arts education but also the strong academic preparation that will help them become better thinkers and communicators.*

## Special Features

- Innovative programs using arts integration and communication
- Explorations classes allowing students to explore all of the arts
- Outdoor garden classroom
