## About

*Spring Valley High School is an International Baccalaureate Middle Years and Diploma Program candidate school. This challenging academic program is offered in over 5000 schools world-wide and has an unrivaled reputation for preparing students for the challenges of post-secondary education and the rapidly changing world they will live and work in. Students are encouraged to study all academic subjects at an advanced level, and to use their learning to take action in their local and global community. Learning experiences are connected to their lives and the world that they experience, with an emphasis on becoming independent learners who are able to apply skills and knowledge in unfamiliar contexts. Through this advanced curriculum, students will also explore and study the values of a wide range of cultures to promote international understanding and a commitment to service.*
